

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The grand opening of Howard Drug will be held this Saturday and we would like to express our appreciation to C. L. Howard for his fine contribution to Hamlin. He has come back from the Christmas Eve fire with a store that any town would be very proud to have.

It is people like this that can keep a town alive by their faith in the future.

Along this same line, the Winn's building is making great progress after getting off to a slow start because of the weather. They, too, are putting a lot of faith in the future of our city.

We wish that we could announce that work is about to start on the other two buildings so that our downtown business district would be back better than ever, but we can't. Efforts are being made at this time to fill up the two sites that are left but there seems to be a hold up or two.

Again, we say congratulations and thank you, C. L.

Along with the rest of the nation we were both surprised and shocked at the President's announcement Sunday night that he would not seek another term. We can find no fault in his deciding that he has held this office long enough but it seems to us that he, like Governor Connally, pulled out without leaving us much to choose from for a successor.

No doubt we may be in the minority, but we personally feel that Johnson has been one of our better presidents, at least during our lifetime. We have not agreed with all that he has done but, by and large, we feel that he has pursued the best course possible for our nation as a whole.

At the present we can not see that either party has much to offer in Johnson's place.

The Jaycee Volleyball tournament is just around the corner, and it would seem that most everyone has decided that they are going to try playing this year without working out ahead of time. We are not sure whether this will cut down the soreness or not.

We hope that the Jaycees have as much luck this year with the tourney as they did last year. With the proceeds going to the community building, we believe that it will be worth a little soreness.

How much the building has been used this past year we do not know, but we are sure that at one time or another most of the town has benefited from it.

We received an unsigned letter this week from someone, who evidently lives north of Hamlin, complaining about the city sales tax and saying that they are going to find someplace else to trade.

This, of course, is their business and if the few cents make that much difference then that is their privilege.

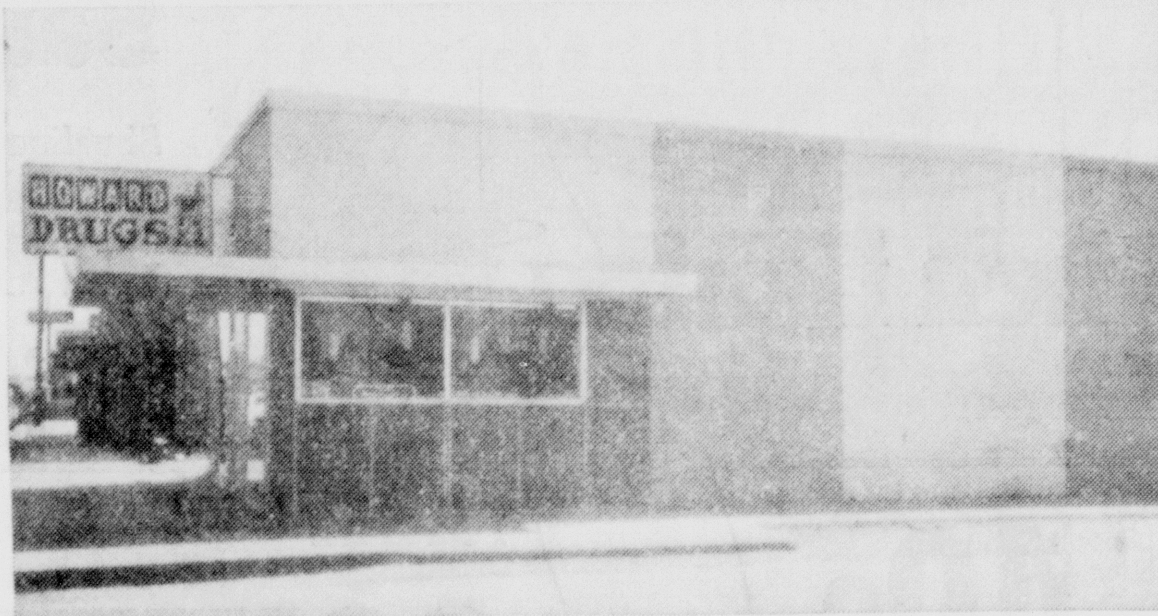

The fact that they are not going to trade here anymore and are not going to renew their Herald when it runs out does not bother us near as much as does the fact that they would not sign their letter.

We do not know anything that bothers people in the newspaper business more than unsigned letters. We suppose this is because newspapers assume the responsibility for every issue published and everything contained in it. Knowing this, it is hard to have much patience with those that think so little of their opinions that they leave them unsigned.

Most papers are willing to withhold names and even withhold publication of letters, but just do not have much use for unsigned letters.

Saturday is election day here both for the city and the school district. The city races are uncontested but still deserve your support and there are four seeking the two places on the school board.

We do not know what the voting strength is for either the city or the school district but with over 800 registering at the BCD office this year we would assume that most of these at least reside within the school district and we hope that everyone will cast a vote.

FORMAL RE-OPENING SATURDAY — Howard Drug Co. will have the formal re-opening of the completely remodeled business Saturday, Apr. 6. C. L. Howard, owner, is announcing special promotions for the event in this week's Herald. The store, remodeled after the damage received in the Christmas Eve

fire, features wall to wall carpet, new booths and fountain and an enlarged shopping area. Shown in the foreground is the head-in parking space for more convenient access to the drug store. Double glass doors were placed at the North entrance.

Mayor, Two Councilmen On City Ballot Saturday

Polls will open at 7 p.m. at City Hall for the election of the mayor and two aldermen. The races are uncontested.

Marvin Carlton is election judge. Voting will end at 7 p.m.

Hollis Madden, mayor since 1963, is seeking re-election. He was elected in a special election and has been elected

to two terms. Other candidates are Edward Gardner and Joe E. Ford.

Brief sketches of each of the candidates will acquaint the public with those seeking the public offices.

MADDEN was born at McCaulley Sept. 25, 1908, and has lived in this area all of his life. He is the son of Mrs.

W. J. Madden and the late Mr. Madden.

A graduate of McCaulley High School, he attended Draughton's Business College. He is manager of Farmers Coop Gin of Neinda.

His wife is the former Byrdie Crowley. They are members of First Baptist Church where he is on the finance committee. They have one daughter, Mrs. Billy Joe Wilson, and two grandchildren. He is a member of the Board of Community Development.

FORD, cashier at Farmers and Merchants National Bank, is seeking a first term as alderman. He was born Feb. 8, 1932, in Avoca and is the son of Mr. and Mrs. Joe Ford. He entered school at Avoca and soon moved to Wise Chapel where he went through grade school. He was graduated from Hamlin High School in 1949.

Prominent Hamlin Citizen, Mrs. E. M. Wilson, Dies Here Monday

Mrs. E. M. Wilson, 85, prominent Hamlin citizen for 39 years, died at 9:15 p.m. Monday at Hamlin Memorial Hospital. She had been ill for about two years and hospitalized for three weeks.

She was chairman of the Red Cross in World War I and II; helped to organize the first Parent-Teachers Association in Hamlin and was the first president; was a member of the Hamlin School Board from 1924 to 1928; was secretary of the Chamber of Commerce for ten years; was charter member of the Business and Professional Women's

Club and served as a District Director.

At the First Methodist Church, where she had been a member since 1910, she was instrumental in organizing the King's Daughters — Sunday School Class and was a teacher; she was president of Women's Society of Christian Service.

She was named Woman of the Year in 1958.

In 1960, she retired as owner and operator of the Book Shop.

Born Evie Clark June 15, 1882, in Florence, Ala., she was the daughter of the late Mr. and Mrs. John Clark. She was married to E. M. Wilson in 1912. He died in 1921.

Services were held Wednesday at 2 p.m. in First Methodist Church, conducted by Rev. Cecil Hardaway, pastor, and Rev. Marshall Stewart, pastor of the Church of the Nazarene.

Survivors include one daughter, Mrs. John D. (Elmo Joy) Ferguson; two sisters, Mrs. Ross Walker of Norfolk, Va., and Mrs. Hugh Mooney of Memphis, Tenn.; two grandchildren, John and Jane Ferguson. One son preceded her in death.

Burial was in Hamlin Memorial Cemetery.

Pallbearers were John Howard Jr., Henry Albritton, Weldon Johnson, Weldon Carlton, Holly Toler, Art Carmichael of Abilene, Weldon Griggs, and John C. Bryant.

Four Seek Two Places On Board

Four candidates are seeking election to two posts on the Hamlin Board of Education in Saturday's election.

The polls will open in the high school building at 8 a.m. and will close at 7 p.m. A. B. Carlton is election judge.

Names of the candidates were drawn for positions on the ballot. They appear in this order: Raymond Scifres, Jackie Williams, Sigmund Stovall and David Casey.

Any qualified voter in the district may vote.

A brief sketch of each candidate has been compiled to introduce the candidates.

SCIFRES is a farmer and is also in charge of the custom farming operations of Moore Elevator. He was born at Flat Top, May 4, 1931, and attended school there until that school was consolidated with Hamlin. He graduated from Hamlin High School in 1950. He entered the U. S. Army in 1952 and served 18 months on Okinawa in the intelligence operations center. He received his discharge in 1954.

His parents were the late Mr. and Mrs. W. P. Scifres.

He was married to the former Ella Mae Turner in 1955. They have two children, Louanna, 4, and Joe Dan, 13 months.

He is a member of the First Baptist Church and a director of the Hamlin Jaycees.

WILLIAMS, a farmer and shift foreman at Celotex Corporation, was born Aug. 23, 1932. His parents are Mr. and Mrs. V. E. Williams. He graduated from Hamlin High School in 1949 and after go-

Mrs. L. C. Brown is director.

Miss Mitchell is business manager in charge of tickets.

CEMETERY NOTICE

We are in our annual process of trying to clean up the East Cemetery, due to the unusual rains conditions are bad. Like yards the lots require working every week, this we cannot do with the set up we have, \$1.00 per month per lot, and the prevailing wage \$1.25 per hour.

We will continue to work those who have paid in advance at \$1.00 per month, but we respectfully request that you update your thinking about this situation, and see if you are not willing to help out in keeping the Cemetery through the spring and summer, in better condition, by paying more.

JC Volleyball Tourney Tues.

Some 23 men's, women's and student's teams have entered the second annual Jaycee Tournament which will begin Tuesday, Apr. 9, at 6 p.m. Deadline for entering is Monday, Apr. 8.

Two games will be played simultaneously. The tournament will continue through Thursday and Friday nights.

The concession booth will be operated by the Jaycees and Jaycee-ettes.

Teams should be at the gym one-half hour before their scheduled time to play.

Several sponsors have been secured and there are sponsors for teams still available, according to Dan Truelove, co-chairman. Anyone wishing to play may contact Truelove or the Hamlin Herald and they will be placed on a team.

Men's teams entered by Tuesday and their sponsors include the Firebugs, Hamlin Fire Department; Mac's Masters, Mac's Super Market; Oilers, Oliver Oil; Wheels, Rotary Club; Pallbearers, Foster Funeral Home; Plugs, Clifton; Cotton Seeds, Midwest Coop; Loufers, Lion's

Club; Nip Chasers, Arrow Service and Supply. Other teams include the Hog Slopers, Eighth grade boys, Sophomore boys, Freshmen boys and Senior boys.

In the women's division, the following teams and sponsors are entered: Beta Theta Babe, Beta Theta Chapter; Lady Fire Flies, Fire Department; Ting A Lings, Southwestern Bell Telephone Co.; Jet Set, Jaycee-ettes; L-It Overs, Hamlin Herald; Girl Wonders, Montgomery Ward; Junior Petites, Mini Mice, Heidenheimer's; and the Hi Hopes.

Indications are other teams are being formed and will be entered later.

Sponsors that have not been assigned teams are Piggly Wiggly, Moore Elevator, Pled Piper Farms, Bailey Construction, and the F & M Bank.

The first game at 6 p.m. Tuesday will be students' teams. Adult games will start at 7 p.m. The brackets will be posted at the gymnasium and only those teams scheduled to play early Tuesday evening will be notified.

District Track Meet Set Sat.

The Hamlin High School Track Team will travel to Winters Saturday to compete in the District 5-AA meet, according to Track Coach Pat Hughes. The all-day meet will start at 9 a.m. with preliminaries. The finals will start after dinner.

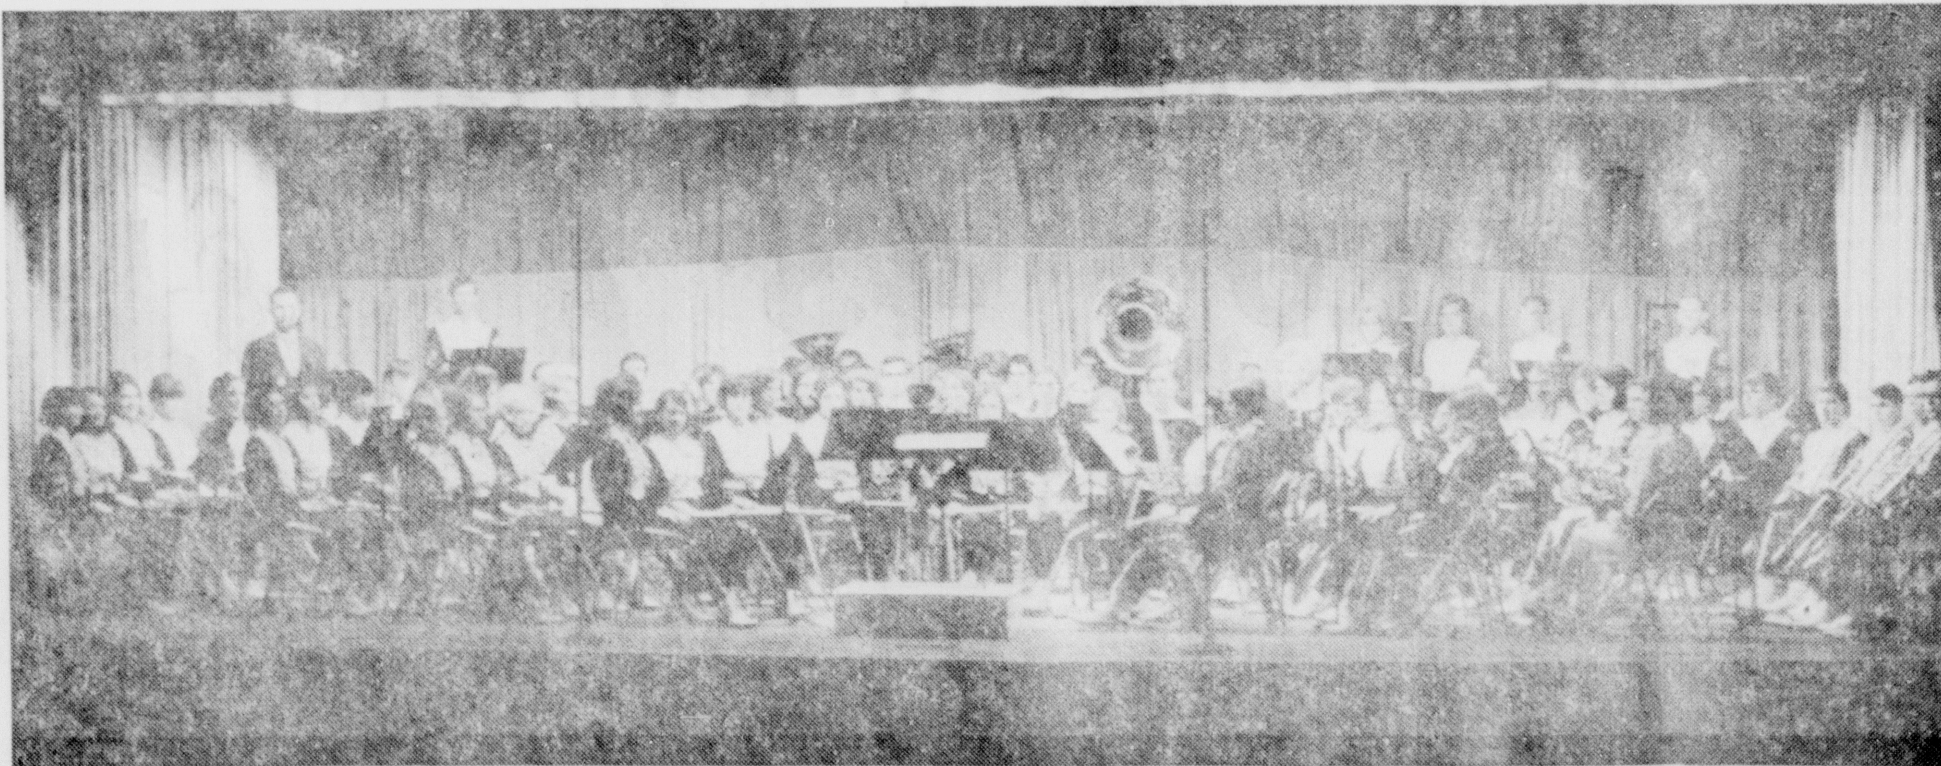

Both the varsity and the freshmen teams will take part with 17 boys making up the Hamlin varsity team and seven boys on the freshmen team. Colorado City is favored to take home the district title with Stamford, Haskell and Hamlin picked to come in that order.

First and second places in each event of the varsity competition will qualify for the regional meet to be held in Lubbock.

In their final warm-up meet before district, the Pipers took fourth place at the Dragon Relays at Bangs this past weekend.

James Asher took fourth place in the pole vault, Milton Davis took third and Earnest Ledbetter took fifth in the shot put, and the relay team took first in 440 relay. Asher took fifth in the 120 yard high hurdles, Sammy Ferguson took second in the 440, Asher took fourth in the 330 intermediate hurdles and Robert Bolden was third in the 220. The Piper mile relay team came in fifth.

The Pipers amassed 57 points for their fourth place. Cross Plains won the meet with 81 points.

BAND RECEIVES TWO FIRST DIVISION RATINGS — The Hamlin High School band received Division I ratings in both concert and sight-reading judging at the UIL contest in Merkel Saturday. After the 15-minute concert in the auditorium the band went to another

building for sight-reading evaluation. Pat Jenkins, drum major, received the trophy for the band. Of the four AA bands participating, Hamlin was the only one to receive two Division I ratings.

Omar Burleson Makes Formal Bid for Office

Congressman Omar Burleson has formally announced his candidacy for re-election to Congress, subject to the Democratic Primary on May 4 and the General Election in November.

The 17th Congressional District is now composed of 31 Counties, covering approximately 30,000 square miles. Within this area live about 440,000 people.

"The original 12 counties, of which Jones is one, have really been 'home' and long-time friends and supporters are highly valued," Burleson said. Further commenting he added, "The people whom I have represented all the years I have been in Congress were most understanding two years ago when it was necessary for me to concentrate in campaigning in 12 new counties. Since seven more have now been added, I shall have to make an effort to become better acquainted and make friends in that new area. I will, however, be calling on my constituents in the older area at the earliest opportunity. I believe that it is incumbent upon a Congressman to know people and that they know him, to have the best representation. This is fundamental to our system."

In his statement, Burleson says, "During my tenure of office I have followed two guiding principles: First, to know the views of my constituents and reflect their sentiments to the greatest degree possible in my actions in the Halls of Congress. Second, to inform and advise as closely as I can on these issues which affect our District, our State and our Nation."

Burleson termed his approach to Government as one of "common sense," gained through the years of public service. "I have tried to see that the people's tax money is spent as wisely and as judiciously as you would have spent it had you been in my place," he said.

"The record will show that a greater part of the time I have found myself in the minority in opposing the vast spending programs which have been put into effect in recent years. In every Session of the Congress the record will show my votes for expenditures below that recommended by the Executive Department and far less than actually appropriated by the Congress, except in the field of National Defense," Burleson said. He continued, "Without meaning to appear boastful, if the Congress had followed those of us who have voted consistently over the years for fiscal responsibility, our financial affairs would not be in the shape they are today."

"In areas providing for the defense of our Country, I have always supported those things to make and keep our Nation stronger than any other in the world," he said.

"I have been discerning in separating those activities which the Federal Government was not designed to do, from those which are truly its responsibility," he said.

Burleson stated that activities of State and local governments, in accordance with the Constitution, should not be infringed and encroached upon by the Federal Government.

"The Federal Government does have specific missions," he said. He gave as examples the conservation of our natural resources, the defense of the Country and its general welfare.

"At the same time," he said, "the Federal Government can not and should not try to take care of everything from Washington, either foreign or domestic. The Federal Government has grown to colossal proportions and centralized power in Washington has increased," Burleson pointed out. "To this, I am opposed and my record is clear in this respect."

Burleson is among the senior members of the U. S. House of Representatives in point of service. His seniority has carried him to the Chairmanship of the potent House Administration Committee, and to the second position to the Chairman on the powerful Foreign Affairs Committee. In addition, Burleson serves on two important Joint Committees formed from senior members of the House and Senate, as Chairman of one and Vice Chairman of the other.

Lightning Strikes Here Saturday During Storm

One business and three residences were hit by lightning during the storm here Saturday evening.

Jno. V. Howard, grocery store owner, was standing near the breaker box at his store about 6:45 p.m. when the bolt struck. He quickly pulled the breakers and prevented damage to meat cases and refrigerator units. Only one circuit of lights was burned out.

At the Robert Cary residence, 50 S. W. Ave. F, the stereo-radio-television combination, a stereo, and the thermostat on the furnace was ruined.

W. M. Kiser, 551 W. Lake Drive, reported damage to the television set.

At the Weldon Carlton residence, 717 W. Lake Dr., the thermostat on the heating system was hit.

Moisture recorded was .10 in. Rain during the early part of the week was a trace, Apr. 1, and .01 Apr. 2.

Student Council To Present PTA Program Today

The Hamlin Elementary Parent-Teachers Association will meet at 4 p.m. Thursday for a program on "Youth Responsibilities" for Better Neighborhoods to be presented by a panel of Student Council members.

The entertainment will be "How Do You Know?" a musical presentation by the second grade classes.

Mrs. Eddie Offield will give the thought for the month.

Special Assembly

A special assembly open to the public will be held Wednesday, April 10, at 1 p.m.

The Cisco Junior College Band and Choir will present the program.

ATTEND CONVENTION

Mrs. George Howard returned home last week after spending three weeks in Hendrick Memorial Hospital. On Sunday she was rushed back by ambulance and had emergency surgery. She is reported to be getting along nicely and expects to return home this week. She is in room 690.

Neinda Philosopher Wants European Gold Speculators to Try Their Hand At Farm Products

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with a speculative idea this week, his letter reveals.

Dear editor:

I don't want to appear money mad but I was looking back through some two-week-old newspapers because I didn't have any fresh ones on hand and I got to reading some more about the gold situation.

As I now understand it, the gold crisis developed because a lot of speculators started running the price up, from \$35 an ounce, while the United States was trying to maintain, to as high as \$45, and while I haven't been able to understand why we didn't unload at that \$40 an ounce profit, since we own most of the

School Calendar for Next Year Approved; Three Days Added

The Hamlin school board has approved a school calendar for the 1968-69 school year. The newly approved calendar is set to provide 180 teaching days rather than the present 177 days of the current year's calendar. Due to bad weather three days of school were missed this year and will have to be made up Friday, April 12, in order to meet the

teaching days. The five extra state requirements of 175 days are insurance against bad weather next year.

The calendar for next year provides for school to start on Monday, Aug. 26, and end on Friday, May 23. The following holidays will be observed:

Sept. 2 Labor Day
Nov. 28-29 Thanksgiving
Dec. 25-26 Christmas
Mar. 7 Teachers meet
Apr. 3-7 Easter

Classes will be dismissed at 3 p.m. on school days immediately preceding each holiday, namely, Nov. 27, Dec. 20, and Apr. 2. Easter Holiday will consist of a Thursday, Friday, and Monday. School will also be dismissed at 3 p.m. on Tuesday, Mar. 4, so that teachers will have sufficient time to prepare for open house during Texas Public School Week.

Baccalaureate service for seniors will be held on Sunday, May 25, with Commencement exercises set for Monday, May 26.

Pre-School Day For Beginners Set Tuesday

A pre-school visitation day for all beginners of the forthcoming year in the Hamlin Consolidated Independent School District has been set for Tuesday, Apr. 9, according to school officials.

All children who will be in the first grade next year are invited to visit the primary school from 8:30 to 1:00 o'clock, along with their mothers.

The children will need to bring 35c to eat in the school cafeteria, says Mrs. Fred Smith, primary school principal. They will also need to bring their birth certificates in order to register for the coming year, she added.

A short program will be conducted in the cafeteria by Mrs. Francis Schneeweis, president of the Parent Teachers Association. A musical number "How Do You Know?" will be presented by second grade pupils, under the direction of Mrs. Willard Maberry, public school music teacher.

Mrs. Wallace, the school nurse, will hold a pre-school clinic at the primary cafeteria at 1 p.m. the same day. Dr. M. L. Smith will be there for physical checks and Dr. J. E. Harrison, D. D. S., will examine each child's teeth. Smallpox vaccinations will also be given at this time.

The P. T. A. members will assist the school personnel with the registration and pre-school clinic.

Billy Joe Wilson Takes Part In Fly-In To Washington

Billy Joe Wilson was one of 50 young Texas farmers who flew to Washington Saturday night to discuss farm legislation with their congressmen.

The Texas group was to join several hundred farmers from other states in the National Farmers Union program. There were four sent from this area.

Purpose of the fly-in was for the young farmers, all between the ages of 20 and 40, to make hearings on the Mondac bargaining bill, a measure that would give farm producers authority to negotiate prices with processors and handlers. The hearing is before the Senate Agriculture Committee.

They were also to talk with Sen. Ralph Yarborough D-Tex., and Rep. Olin Teague, D-Tex., to discuss the GI Education Bill.

Pecan Grafting Meeting Set Apr. 9

There will be a pecan and walnut grafting and budding meeting in the County Agent's office at 9:00 a.m. on April 9, according to word this week from Jones County Agent Kirby Clayton.

Clayton says that Inlay Bark Grafting and Patch Budding will both be demonstrated as a way of nut tree propagation. Also after-care of grafts and orchid management will be discussed.

After the demonstration, the group will go on a short tour of the town to observe grafts which have been put on in the past several years.

Neinda Reunion Planned Apr. 21

The eighth annual Neinda Reunion will be held Sunday, Apr. 21, at the Community Center, according to M. H. Castleberry, chairman.

The business session will begin at 11 a.m. and the lunch of barbecue and other meats will be served at noon. Plates are \$1.25 for adults and 50c for children. Ladies will bring desserts.

Pipers Take Second In Golf

The Hamlin High School Golf Team captured second place at the District 5-AA tournament held at Haskell Monday. The Stamford team carried home the first place honors.

Gary Smith led the local golfers with a 75 and his teammates scored the following: Milbourne Newland, 82; Jimmy Hastings, 87; Mike Owens, 88; and Doug Elliott, 89.

Taking third in the meet was Haskell, followed by Anson, Haskell B, Colorado City and Winters.

The Hamlin team is coached by Earnie Reusch.

CALVARY BAPTIST CHURCH

Members of Calvary Baptist Church who attended a Sunday School Clinic last week at Northside Baptist Church in Anson were Mrs. Marie Hale, Calvin Embrey, Henry Downey, L. B. Bruner, Willie Ails, Archie Carson.

Also Rev. and Mrs. Gerrie Hensley, Mr. and Mrs. Bill Thompson, David and Bob.

OUR USE OF LEISURE

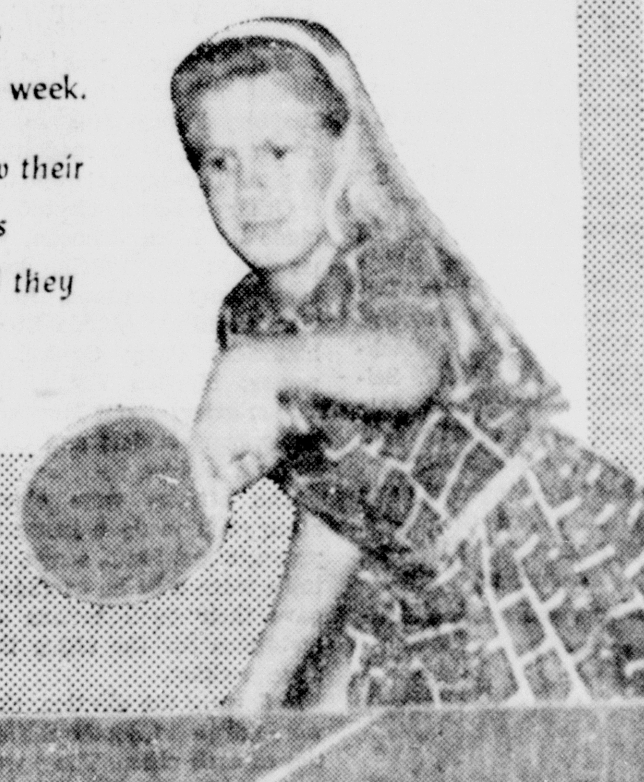

None of us can make our best contribution to life unless we take care of our physical selves. The right kind of recreation renews the body, mind, and spirit.

There should be a proper balance and rhythm between work and rest. Our Lord meant for us to enjoy life and intended no man to punish his body with unrelieved work.

Of course our recreation should be of a kind that would actually re-create our spirits and bodies and make us better able to perform our work.

Part of our leisure time should be spent renewing our spirit by worshipping God in His Church. We invite you to attend services this week.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." Isaiah 40:31.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Work Nears Completion On Jones County Courthouse Annex

Work is almost complete on remodeling the Jones county court house annex at Anson. Leaks have developed in the roof and a reroofing must be done before the offices are occupied. County Judge Leon Thurman said Monday.

When completed, offices of the Old Age Assistance will be moved from the basement of the court house. There are presently two workers and a secretary. A supervisor and

secretary are to be added.

These offices will be on the south side of the south building. On the north side of the same building, the drivers license and highway patrol office will be moved.

In addition, a child welfare worker and possibly a part-time secretary will have offices in the building.

When the extra space becomes available in the basement of the court house, a hole will be made into the west wall of the county agent's office and the office of the home demonstration agent will be moved into the adjacent space.

The large room now occupied by the home demonstration agent will be used by the auto license section of the tax collector's office, Judge Thurman said that for the time being, at least, this work will be handled from desks and no counters will be built.

The north 25 feet of the court house annex is used as distribution center for surplus commodities.

LEGAL NOTICE

The following ORDINANCES are now in full force and effect, dated February 22, 1968. An ordinance entitled an ordinance regulating the driving or operating of any motor vehicle, railroad engine, railroad car or any other vehicle or riding, driving or in control of any animal upon any public street, alley, railroad track, avenue, highway or other public place, within the limits of the City of Hamlin, Texas, and providing a penalty.

An ordinance entitled an ordinance protecting the privacy of person or persons, private property, both real and personal from intrusion by person or persons, by actual presence or implied intrusion of privacy. Protecting the rights and privacy of person or persons to privacy from intrusion by unwanted salesmen, peddlers, solicitors or any such person that might be upon premises without consent of head of family or person in charge of premises and providing a penalty.

An ordinance prohibiting the drinking or possession of any alcoholic beverage or any intoxicating beverage or substance of any type to induce intoxication, in any City park or any land or area owned or controlled by the City of Hamlin, Texas, and providing a penalty. H. W. Madden, Mayor
CITY OF HAMLIN

PUBLIC NOTICE
A reminder to the public that the dumping of dead livestock such as horses, mules, cattle, hogs, sheep or goats etc. at the City Dump Ground is prohibited. The dumping of dead animals create a very unhealthy surrounding and for the health of the community these animals must be destroyed by the owner or person or persons in charge in such a manner as to protect the health and welfare of the citizens of our community.

Please do not put any dead animals or fowls in your trash barrel, they will not be picked up by the sanitary truck. If such dead animals or fowls are found in the trash barrels, such barrels or boxes will be passed up by the sanitary truck until the dead animal or fowls have been removed from the container. Any individual dumping trash of any kind at the City Dump is requested to take your trash into the dump as close to the dump pile as possible rather than dumping your trash near the entrance or by the side of the entrance road. Trash being dumped in such a manner is causing the City much expense trying to keep the dumping area open and each time it is required to hire a dozer for several hours to push the trash back to make more room. Our dumping area is limited and is filling up fast. The cooperation of the public is requested.

Charges of rape have been filed against Roger Lee Coleman, 21, John Henry Chase, 27, and Stanley Chase, 22, all Negroes in connection with the alleged rape of a 15-year old Hamlin Negro girl. The cases were filed by County Attorney A. J. Smith with Precinct 1 Justice of the Peace J. H. Martin in Anson. John Henry Chase and Roger Lee Coleman were placed in the Jones County Jail after bond of \$1500 was set in each case by Judge Martin.

A 16-year old Hamlin youth has been released pending further investigation of his part in the incident.

Stanley Chase was in custody in San Antonio Tuesday afternoon.

Jones County Singing Meeting

The 77th annual Jones County Singing Convention will be held at Anson High School Auditorium at 10 a.m. Sunday, Apr. 7.

Featured singers will include the Brown Family, Davidson Trio from Fort Worth, Key City Quartet, Big State Quartet and other special groups.

Mrs. C. N. Benhan of Fort Worth visited this week with Mr. and Mrs. Jess Young.

Special HemisFair, Astrodome
Charter Bus Trips Being Planned

Abilene Travel Service, serving all of the Big Country, today announced plans for special trips to HemisFair in San Antonio, Texas' own World's Fair.
The trips now available are being advertised in this issue of the Herald. Special arrangements may be made for groups.
The Travel Service is headed by Harry Holt. While now, it has two experienced travel experts, Esther Carroll, long-time travel consultant with major airlines, and C. H. Martin, a veteran of over 22 years in tour and special trip planning.
Mr. Martin emphasized the fact that there is absolutely no charge for their services and yet the benefit of professional travel personnel results in substantial savings to the individual or group.
He noted that on the HemisFair trips, money is saved and there is also the advantage of safer more comfortable travel to and from the fair. Visitors may also be assured of seeing the most outstanding attractions at the best possible time.
Also being advertised this week are planned trips to the Astrodome which include accommodations.
Connie Jo Duncan will be the pianist for the Hardin-Simmons revival team at the Hartsville Baptist Church in Hartsville, Indiana, April 7-14. The team will conduct revival services, make visitations, give special music and testimonies and hold prayer services and fellowships.
GARDNER is employed by Carl Murrell Chevrolet Co. and has been on the council for four years. He was born here Mar. 7, 1915, and is the son of Mrs. B. H. Gardner and the late Mr. Gardner.
He is married to the former Velta McCormick. They have one daughter, Jan. 14, an eighth grade student. They are members of the First Methodist Church.
Gardner served 37 months with Army Service Forces, entering in February, 1943.

ing into the service was later graduated from Ranger Junior College where he served as president of the student body. He served in the U. S. Army for two years, 1953-55, as a military policeman.
May 29, 1952, he was married to Billie Putnam. They have three children, Mignon, 12, Sonja, 11, and Mickey Don, 5. They are members of the Neinda Baptist Church and he serves as a deacon.
He was appointed to fill an unexpired term in the fall of 1966.
STOVALL, a farmer and rancher, was born in Jones County, Aug. 3, 1919. His parents are Mrs. F. R. Stovall of Levelland and the late Mr. Stovall.
He attended Hamlin Public Schools and in 1942 entered the Air Force. He served three years as an airplane mechanic.
He was married to the former Dorothy Hines in Hamlin in 1939. They have three boys, Johnny, a graduate of Baylor University; George, a senior at Baylor, and Gene, a freshman at HHS.
Stovall is a deacon of First Baptist Church and a Mason.
CASEY, department store manager, moved to Hamlin in February, 1962. He was born May 5, 1931, in Winters and graduated from High school there. He is also a graduate of North Texas State University in Denton, receiving his degree in 1954. He lived in Anson for seven years before moving to Hamlin.
At Anson, he served as president of the Booster Club and was secretary of the Jaycees.
He is married to the former Ketta London of Winters. They have four children, Toni, 15, Terri, 13, Rita, 11 and Davey, 3. They are members of the First Methodist Church.
He is manager of Heidenheimer's Department Store and a director of the Hamlin BCD.
JOHNSON—

gained much experience in bookkeeping, general office procedure, inventory, and business management. He served as manager of a lumber firm in Winters for nine years, and assisted in the general management of the chain for several years. Because of the failing health of his parents in 1941, Johnson resigned from the lumber company and joined his father, Clarence Johnson in the operation of Johnson Feed Store in Anson. Since that move, he has been engaged in furnishing home, farm, and ranch supplies to people of this area. However, that business was sold in the latter part of 1967, and Johnson has since been attending to some farming and livestock interests.
The family of Louis T. Johnson consists of his wife, the former Juanita Foy, and two children. The daughter, Mrs. H. H. Huddleston of Arlington, Texas is a graduate of McMurry College in Abilene. The son Eugene, is a graduate of Southern Methodist University of Dallas, and is employed in Shreveport, La. The Johnsons have been active members of the Methodist Church since childhood.
Johnson has had a varied experience in public affairs and service, having been a member of the City Council in Winters, Texas, served as mayor of Anson for two terms, several years on the Anson School board, and also three years on the board of trustees of the Anson General Hospital. He also has held the chairmanship of the Jones County Democratic Executive Committee, arranging and processing the county primary elections for several terms. He states that this work with the primary elections has been solely for the pleasure of working with people in every voting precinct in the county, and for the sake of performing a public service. He emphasizes that he never used this position for any personal gain, and has not once asked for any personal favor or privilege from any State or United States office holder. Johnson has asked that this newspaper present to its readers the following announcement:
"I seek the office of Jones County Tax Assessor-Collector for the purpose of making a living from the salary provided, knowing that the work will not be as physically difficult as some. In addition, the responsibilities and details of the office will be interesting and will provide an opportunity to continue to meet and serve the public in a useful manner. My associations with several businesses and political subdivisions have given me experiences that qualify me to conduct clerical work and office management. I also think my background gives me knowledge of the problems of both the taxpayer and the taxing agency. If entrusted with this place of responsibility, I will work at the job, devoting all of my time that may be needed, and will endeavor to furnish efficient, honest, and courteous service to every one having business with this office. Your vote and efforts in my behalf will be appreciated."
Respectfully submitted,
Louis T. Johnson

manner; that justice will be equally administered, and that all persons having business with the Court will be treated fairly and with the respect due each individual — this is my promise."
Daniel is making an effort to meet every voter in Jones and Taylor Counties; but realizing this is an impossible task, he asks the people to examine his qualifications, not only as a lawyer, but as a family man, a service man, a church layman and a man who has taken active interest and responsibility for the all-round betterment of his community.
A graduate of Abilene High School and McMurry College, Daniel has lived in Abilene continually since, except for the time spent on active duty with the Army.
Daniel's wife is the former Frances Hill Cooper whom he met at Abilene High School and they went on to McMurry together. They have three children: Gayle, a senior at Southwestern University; Sharon, a junior at the University of Houston; and Walter Cooper Daniel who is attending business school.

Old Glory News...
Old Glory's production of "The Rose of Sharon" won first place in the district UIL one-act play contest at Rochester Friday night. Rebecca Letz won the best actress award and David Williams was named on the district all-star cast. Other members of the cast were Donna Williams and Kenneth Jones. Mrs. Cecil Klump directed the play and assistants were Steve Letz, Weldon Spitzer and Danny Williams.
This was the third consecutive year for Rebecca Letz to win the best actress award in district. She is a junior in Old Glory High School. Also this is the seventh consecutive year that a girl from Old Glory School has won the district best actress award.
Saturday, Apr. 6, will be school trustee election day. Old Glory will elect three trustees this year. Names on the ballots are Oren Baldree and Jack Jones, incumbents, and Edward Wolsch, George Rhoads, who is presently holding one of these positions, declined to run again.
People in Old Glory will also vote on the county trustee-at-large. The only name on the ballot in precinct 1 and 2 is that of Jesse Morgan, incumbent.
Mrs. Katie Gerloff hosted a Stanley party in her home on Thursday of last week.
Mary Lois Patterson is one of 50 members of the Hardin-Simmons University Concert Choir that will sing three concerts at the Baptist Pavilion and at the Amphitheater at the HemisFair in San Antonio during the spring tour.
Cindy Stephens, a student at Texas Tech school of home-making, was on the dean's honor list for the fall semester with a grade point average of 3.0. She is the daughter of Mr. and Mrs. H. D. Stephens.
Mr. and Mrs. Autry Andress of Dallas visited last weekend with her parents, Mr. and Mrs. Jack Bonds.
Visiting in the L. R. Andress home are Major and Mrs. John Baker and girls, Dana and Lori. They have been living in Germany for three years.
Guests in the home of Mr. and Mrs. Bob Craig and family were her brother and his family, Major and Mrs. E. D. Fincher, Michael and Mitch of Abilene.
